## 1.1 EMERGENCY MANAGEMENT

This plan works along with our Emergency Program in our Company Safety Program. Our company site supervision will complete and distribute the Emergency Response Map for this site. In the event of an emergency requiring evacuation, employees will receive verbal notification to evacuate. If this occurs, all personnel are to evacuate to the emergency staging area as noted on the emergency response map. In the event of an emergency contact:

## 1.2 INCIDENT / INJURY HANDLING AND REPORTING POLICY
