QUESTIONS

=> Where work permits, welding screens will be used

=> Fire extinguishers available for immediate use

=> Correct type fire extinguishers are available

=> Combustible materials and supplies are moved away from the hot work location (at least 35')

=> Verify that equipment is not to be used near flammable vapors or liquids, or their containers

=> Fire hazards that can't be moved are protected by appropriate guards

=> Maintain a fire watch during operations and for at least 30 minutes after work has been completed
