## ACKNOWLEDGEMENT OF ANNUAL OPERATING PERMIT FEE PAYMENT

Dear Permit Holder:

This letter acknowledges your recent annual operating permit renewal fee payment for the permits to operate or applications listed on the enclosed attachment. The next renewal date for each permit or application is stated on the attachment. For facilities that have been issued a RECLAIM or Title V facility permit, the facility permit serves as a comprehensive permit to operate the equipment listed on the facility permit.

***This payment acknowledgment does NOT replace your original Permit to Operate, and you should NOT discard the original permit.***

You are required by South Coast AQMD Rule 206 to affix the **original** or a legible facsimile of the Permit to Operate upon the equipment so that the permit number, equipment description, and the operating conditions are clearly visible. If posting a facsimile, the original permit must be on file and at the facility, available for inspection upon request.

If the original permit has been lost, defaced or destroyed the permittee shall request a replacement Certified Permit Copy, in writing. Please enclose the applicable fee as follows with your written request for a Certified Permit Copy:

	<b>Non-Title V &amp; Non-RECLAIM Facility</b>	<b>RECLAIM Facility</b>	<b>Title V Facility</b>
Certified Permit Copies	\$32.65	\$32.65	\$40.93

If there has been a name or mailing address change without a change of operator or location, a request for a corrected reissued permit shall be made in writing, by the permittee. Please enclose the applicable fee as follows with your written request for a reissued permit:

	<b>Non-Title V &amp; Non-RECLAIM Facility</b>	<b>RECLAIM Facility</b>	<b>Title V Facility</b>
Reissued Permits	\$252.94	\$252.94	\$316.95

The written request and the fee for a replacement certified copy or reissue of an active permit should be sent to South Coast AQMD, P.O. Box 4944, Diamond Bar, CA 91765-0944. For questions regarding certified or reissued permits please contact Permit Services at 909-396-3385.

If you have any questions about this permit renewal acknowledgement letter please call South Coast AQMD's Billing Services Tuesday through Friday from 8 a.m. to 12 Noon and 1 p.m. to 5 p.m. at (909) 396-2900; or from inside California, you may call toll free at (866) 888-8838. You can get an uncertified copy of the original permit using the F.I.N.D. web tool.

Portable Abrasive Blasting System consisting of:

1. Abrasive Blasting Unit, Blast Pro, Model No. BP 10 Super, 100 Pound Capacity, and a 0'-10" Square Blast Opening.
2. 15 HP Electric Motor.

**Conditions :**

1. Operation of this equipment shall be conducted in accordance with all data and specifications submitted with the application under which this permit is issued unless otherwise noted below.
2. This equipment shall be properly maintained and kept in good operating condition at all times.
3. This equipment shall not be operated unless it is vented to an air pollution control equipment which is in full use and which has been issued a valid permit by the Executive Officer.
4. This equipment shall be operated in compliance with Rule 1140.
5. The abrasive blasting system shall only use iron or steel grit/shot or a California Air Resources Board (CARB) certified abrasive blasting material.
6. Upon the fifth day after placement of this equipment into operation at a site, SCAQMD shall be notified via telephone at 1-877-810-6995 of the exact nature of the project as follows:
  - a. The permit number of the portable equipment,
  - b. The name and phone number of a contact person,
  - c. The location where the portable equipment is operated,
  - d. The estimated time the portable equipment will be located at the site,
