Corrective Action

There are a few postings that need to be displayed.

Please note the following;
Emergency numbers
Map to the nearest medical facility
Evacuation map
Operating Rules for Industrial Trucks
Cal OSHA's Heat Illness Prevention
Project Permit (height permit)
Code of Safe Practices

There is a lot of uncapped rebar on the project.

The superintendent reported tomorrow the concrete sub will be bending the rebar down. A reminder was given that is not angled into the ground must be capped or covered.
