Corrective Action

Please ensure fire extinguishers are located at intervals of no more than 75'

Employees are exposed to a fall hazard while working on an unprotected edge. Please ensure a means of fall protection is implemented.

A missing guardrail exposed a fall hazard on the 3rd floor. Please ensure railing is installed

Leaned drywall has not been secured from tripping, slipping, or falling. Please ensure drywall is secured.

Rebar has not been capped, covered, or bent down. Please ensure impalement protection is provided.

Missing guardrails were observed on the scaffold. Please ensure guardrails are installed where required.
