STATE : CALIFORNIA

Safety Compliance Company is not responsible for unsafe conditions and situations not seen during this inspection. The items listed above represent only what was seen by the Safety Compliance Company Representative at the time of the inspection. Safety Compliance Company is not responsible for any ongoing unsafe condition(s) whether seen or unseen. In addition, Safety Compliance Company does not have the authority or authorization to approve, certify, or warranty any safety equipment or safety device. This agreement also indemnifies Safety Compliance Company of any omission, gross negligence, willful misconduct related to this report. Under Federal, State and Local Law, it is the responsibility of the employer and all subcontractors to mark all hazards with appropriate signs

SUMMARY OF INSPECTION

53 Items Inspected	30 Satisfactory	0 Unsatisfactory	23 N/A
------------------------------	---------------------------	----------------------------	------------------

Albis and his crew were observed working safely and the OC Links project. All crew members were observed wearing their required PPE. All tools and equipment were in good condition and heavy machinery was being operated compliantly.

Safety Meeting

The crew and I had a discussion on Slips, Trips and Falls and the importance of ensuring they're keeping up with housekeeping throughout the day. All unnecessary items should always be put away and kept off working surfaces. Lastly crews were reminded to ensure they have an evacuation route at all times.
